

Habitat for Humanity Invites you to join us for **NATIONAL WOMEN BUILD WEEK**

WHAT IS WOMEN BUILD?

[CLICK HERE FOR MORE INFO!](#)

Women Build is an exciting Habitat for Humanity Program that challenges women from all walks of life to learn construction skills and put them to use Building Hope and Homes.

No Experience Necessary – Training is Provided.

If you don't have any construction skills, don't worry! Many women come to Women Build sites with no construction skills at all and still make a great impact. So come out and learn a new skill or put your current skills to use!
