

Join Us in Building Homes, Communities, and Hope!

At Habitat for Humanity of Greater Sacramento, we're on a mission to bring people together to build and repair homes, strengthen communities, and create lasting change. Our volunteers make this possible. All you need to start is a willingness to help and some time to share!

Where You Can Make a Difference:

Construction Volunteer

Help with framing, siding, painting and more on a construction site.

ReStore Volunteer

Assist with tasks like greeting customers, pricing, stocking, and sales floor organization in our ReStore.

Administrative Volunteer

Assist with tasks like data entry, operational support, and organization of supplies in the office.

Special Events Volunteer

Support event setup, registration, tear down, and organization of supplies at event sites.

Habitat Ambassador

Represent Habitat at events, helping with outreach and welcoming new volunteer groups on the job site. Specialized training provided.

Electrical Crew

Apply your skills to support electrical needs on a construction site. A commitment of 12 volunteer days per year is required. Specialized training provided.

CORE Volunteer*

Master your technical skills and lead less experienced volunteers on the job site. A commitment of 12 volunteer days per year is required, plus background check. *Appointed by Habitat Leadership
