# HOME SPONSORSHIP OPPORTUNITIES

## Why Sponsor?

By joining Habitat for Humanity of Greater Sacramento as a Home Sponsor, you become a partner in Habitat's mission to build homes, communities and hope throughout the region. Also, as a Home Sponsor, you will have the opportunity to gain valuable exposure by branding your company's logo on Habitat community projects throughout Sacramento and Yolo Counties.

Habitat Home Sponsorship is a meaningful way to help improve the lives of hardworking low-income families by providing safe, decent and affordable housing.

As a locally supported nonprofit, the work we do is only made possible through community support.

## Habitat's Mission

Habitat for Humanity of Greater Sacramento's mission is to build and preserve affordable housing for low-income families, seniors and Veterans throughout the region. Since 1985, Habitat has built homes, communities and hope serving Sacramento and Yolo Counties.

As we all know, no matter where you are in life, no matter your race, class, age, or situation, housing is the foundation for a stable future. Habitat's Homeowner Partnership Program offers a hand-up, not a hand-out, to hardworking low-income families to become first-time homeowners. To qualify, each partner family must be making between 30-80% of the average median income and commit to 500 hours of sweat equity, not only building their future home, but also the homes of others. When that commitment is met, the partner family can purchase their home for a 30-year, 0% interest equivalent mortgage.

Through homeownership, Habitat provides equity building opportunities to those who, through systemic racism and/or low-income status, have historically been denied access to a decent, safe and affordable place to live.
