ABOUT BUILD FOR UNITY

Each year during **World Interfaith Harmony Week**, Habitat for Humanity hosts **Build for Unity**, a powerful event that began in Sacramento in 2016 as a symbol of solidarity and shared purpose. Originally created to bring together people of all faiths and spiritual beliefs to help fund and build Habitat affordable housing, Build for Unity has since grown into a significant interfaith event that is celebrated nationwide, demonstrating the collective goodwill in advancing Habitat’s mission to build homes, communities and hope.

YOUR IMPACT

The Sacramento region continues to face a severe affordable housing crisis. As a participant in **Build for Unity**, you will help Habitat transform lives by building desperately needed affordable housing that provides hardworking, low-income families with safe, decent shelter, economic stability and hope for a brighter future.
