### What is Build for Unity?

Build for Unity brings people together of all beliefs and backgrounds to make a difference and build critically needed affordable housing in our community.

Build for Unity is a truly unique and exciting opportunity to come together, no matter what your skill level or spiritual background, and roll up your sleeves to promote positive, interfaith impact and unity in our greater Sacramento community. We look forward to hosting Build for Unity over **World Interfaith Harmony Week 2023!**

Funds raised through Build for Unity directly support building homes for families in need of shelter and stability. **Be a team leader and recruit a team or participate as an individual!**

# Participate as a Faith Team!

We invite volunteers of all faiths, beliefs, and backgrounds to serve with us during World Interfaith Harmony Week 2023. In coming together, we will be examples of what can be accomplished in our communities when we put aside our differences and work in partnership to help our fellow neighbors.

Through your participation in #BuildforUnity, you will be part of changing lives and building a brighter future for hard-working Sacramento area families through the creation of safe, stable, affordable housing.
