***Donated product must be new, unopened, and in working condition.**

All donations are preferred to be in new condition. Donations should be in working order and have no missing hardware or broken parts; deep scratches, chips, or cracks; fabric with stains, tears or strong odors; pet hair or stains; or other major damage. ReStore donations can be scheduled to be dropped off directly at Habitat or donors can request a pick-up with Habitat's driver. All donations must be prepared for pick up. We do not provide demolition services, nor do we provide debris removal services. All donations should be palletized and/or organized for safe, efficient pick up. If your donation is unable to be palletized for loading, please be prepared to have members of your team available on site to help with loading. The store is happy to provide a donation receipt for tax purposes.
