

Thank you for your interest in the Habitat for Humanity of Greater Sacramento Elk Grove Home Repair Program. Please find the details for the Elk Grove Home Repair Program below:

1. Completed applications will be accepted from now until further notice.
2. Attached you will find the Elk Grove Home Repair application.
3. The application is also available online or in person. Please complete and return to our office at Habitat for Humanity of Greater Sacramento, 819 North 10th Street, Sacramento, CA 95811 or email it to: CommunityDevelopment@HabitatGreaterSac.org
4. Applications will be considered complete after all supplemental documents have been submitted and accounted for. Please look at the **DOCUMENTATION CHECKLIST AND TRACKING SHEET** (also attached) to ensure all documents are included.
5. Applications will be reviewed using our general criteria and program requirements. They will be processed on a first come first serve basis by the date of the completed application. If you need assistance or have questions about assembling the application or the required documents, please contact the Homeowner Services Department.

We look forward to the possible opportunity to work with you on your home repair project.

Sincerely,

Megan McCarthy
Neighborhood Revitalization Coordinator
