2017 Gala Auction Item Donation Packet

An evening to support Habitat for Humanity of Greater Sacramento's mission of creating a world where everyone has a safe, decent place to call home.

Hard Hats & High Heels Gala

Benefiting Habitat for Humanity
of Greater Sacramento

As one of the top 25 largest homebuilders in the Sacramento area and the only local homebuilder currently providing affordable homeownership opportunities to the low and very low-income families of our area, we are dedicated to bringing people together to build and repair hope, homes and community.

Since 1985, Habitat has built 135 homes in the Greater Sacramento and Yolo community - helping provide safe and decent housing to nearly 500 local children whose lives and futures have been forever changed through the Habitat program.

The Railyards

Friday, April 28th, 2017

Habitat for Humanity of Greater Sacramento and over 400 of Sacramento's ambassadors, influencers, and business leaders will come together for our premier fundraising event on Friday, April 28th at Sacramento's most exclusive event venue - the Railyards.

Attendees are expected to include a high-profile group of top philanthropists, business leaders, elected officials, and media representatives. The Gala will raise needed funds for Habitat for Humanity of Greater Sacramento's programs to build and repair hope, homes, and community in the greater Sacramento and Yolo County.

The Hard Hats & High Heels Gala is our one and only fundraising event for the year and will include a special collaborative painted doors project with local artists, a VIP reception with the artists and fellow VIP's, a gourmet feast by Sacramento's newest premier caterer, lively entertainment, a high end Live Auction led by David Sobon, mingling with fellow leaders and community influencers, and much more.

The goal of this year's Gala is to raise over \$120,000 through our live auction. We would like to invite you to be a part of that auction and what we do by donating a high end experience/item and helping us change lives and build a better community where everyone has a safe, decent place to call home.
