

PRESENTS OUR FIRST ANNUAL PLAYHOUSE JINGLE BUILD!

Tuesday, December 2 | 8AM - 2PM

Little Houses Build Big Dreams

Join us this Giving Tuesday for our inaugural Playhouse Jingle Build—a festive, hands-on volunteer event where you'll build and decorate playhouses for local families in need.

BUILD

Rally your team and bring your A-game! At the Playhouse Jingle Build, teams will go head-to-head to create the most spectacular, and imaginative playhouse. From whimsical designs to heartfelt details, your creativity will help bring joy, comfort, and a sense of belonging to a child this holiday season.

COMPETE

This is more than just a build- it's a friendly competition! Guest judges will evaluate each playhouse and present three coveted awards: the Kids' Choice Award, the Heart & Hammer Award, and the Team Spirit Award. Whether you're in it to win or just to give back, your team's creativity and collaboration could earn you bragging rights and make a big difference for a local family.

GIVE

Your support this holiday season helps build more than playhouses- it helps build futures. Each playhouse represents a child's very first sense of homeownership: a space of their own, created with care and filled with joy. Every donation supports Habitat's broader mission to create and preserve affordable housing across Sacramento and Yolo Counties.
