Who We Are

Since 1985, Habitat for Humanity of Greater Sacramento has served Sacramento and Yolo Counties by building and preserving affordable housing for low-income families, seniors and Veterans. Our mission is to build homes, communities and hope. Over the past 39 years, Habitat has positively impacted thousands of low-income individuals (including children) by providing a safe and decent place to call home and the opportunity for a stable future.

Build Little Houses - Create Big Smiles

The Habitat Playhouse Program provides a rewarding opportunity to team up and build a little joy for deserving low-income children. All of the families that Habitat serves have been living in substandard conditions. Most often, they have been forced to accept unhealthy and overcrowded shelter in high-crime neighborhoods as their only affordable option. Children in these circumstances rarely have a safe place outside to play. The Habitat Playhouse Program gifts children of local Habitat and Veteran families with a special little house to call their own.
