Who We Are

Since 1985, Habitat for Humanity of Greater Sacramento has served Sacramento and Yolo Counties by building and preserving affordable housing for low-income families, seniors and Veterans. With a vision that everyone should have a decent and safe place to live, Habitat's mission is to build homes, communities and hope.

We bring people together to:

BUILD affordable housing throughout the greater Sacramento Region

REPAIR affordable housing to prevent low-income homeowners from being displaced

REVITALIZE underserved communities through neighborhood investment programs and partnership events like Rock the Block

Habitat for Humanity of Greater Sacramento impacts over 10,000 individuals annually in Sacramento and Yolo Counties through build, repair, and community projects.

Through shelter, we empower.

About Rock the Block Oak Park 2026

Rock the Block is a two-day Habitat community impact event that brings together hundreds of volunteers to work in partnership with residents to invest in and revitalize Oak Park neighborhoods.

Over the past seven years, with ongoing support from the City of Sacramento, SMUD, Sacramento Impact Partners and the Sacramento Promise Zone Financial Institution Collaborative, as well as numerous corporate partnerships, Habitat's Rock the Block efforts in Oak Park have preserved critically needed affordable housing by repairing over 105 homes for low-income families, seniors and Veterans. This annual event has also revitalized this historically neglected neighborhood through numerous community enhancement projects at area schools, churches and communal gardens.

Volunteer activities during Rock the Block Oak Park include a variety of home repairs, as well as neighborhood enhancement projects that can include painting, fence repairs and community landscaping/clean-up.
