**2022 Veteran
Repairs Program
Partnership
Opportunities**

Habitat for Humanity of Greater Sacramento provides affordable home ownership opportunities to the low-income families of our area, as well as preservation opportunities to our region's vulnerable elderly and veteran populations.

We are a hand-up, not hand out meaning our homeowner partners both build AND purchase their homes. Our home builds, home preservation efforts, and Neighborhood Revitalization community projects impacted over 10,000 individuals in 2021.

As a locally supported nonprofit, the work we do is only possible through local community support.

Our Veteran Repairs Program, part of our larger home repairs program, focuses on providing much needed assistance with landscaping and yard maintenance, beautification projects, and critical home repairs.

We believe that every Veteran should have the ability to age in place and continue to live in their home with dignity.

Why Sponsor?

When you sponsor a project with Habitat, it's about doing more than just providing a safe, decent and affordable place to call home for a low-income hardworking family, senior, or Veteran - it's about building hope and community for our neighbors and ourselves.

See the next page to learn about ways your organization or business can gain valuable community exposure while improving the lives of local veterans and their shelter conditions.

Helping serve those who served

Becoming a Habitat for Humanity Veteran Repairs Program sponsor is an opportunity for businesses and organizations to align themselves with a respected nonprofit to improve our city, preserve affordable housing, and help veterans in need of safe, decent shelter.

Your financial support allows Habitat to purchase the needed building materials, construction tools and supplies for these crucial Veteran Home Repair projects. In exchange, your company gains unique team building opportunities, visibility and access to our brand and impact!
