# Who We Are

Since 1985, Habitat for Humanity of Greater Sacramento has served Sacramento and Yolo Counties by building and preserving affordable housing for low-income families, seniors and Veterans. Our mission is to build homes, communities and hope.

Historically, women of color and women who are single mothers have faced disproportionate obstacles in accessing decent, safe and affordable housing. Habitat for Humanity has changed that paradigm by providing first-time homeownership opportunities to hardworking low-income women with children. Safe and stable affordable housing is transformative for low-income families living in substandard conditions and struggling to get by. Homeownership offers hope for a brighter future.

## What Makes Women Build Unique

In sponsoring Women Build, not only is your organization investing in building critically needed affordable housing, you are helping build safe and decent neighborhoods where families can thrive for generations to come. Women Build provides a highly visible opportunity to partner with Habitat for Humanity in addressing the affordable housing crisis in the Greater Sacramento Region.

**Women Build participants work in a collaborative team atmosphere under the guidance of construction professionals and alongside other volunteers and future Habitat homeowners.**

First Partner Jennifer Siebel Newsom and future Habitat homeowner Monique celebrate Women Build at the jobsite.
