Who We Are

Since 1985, Habitat for Humanity of Greater Sacramento has been a trusted leader in addressing the region's affordable housing crisis - building and preserving affordable homes for low-income families, seniors, and Veterans in Sacramento and Yolo Counties. Our mission: to build homes, communities, and hope.

Habitat is committed to breaking down barriers to homeownership, particularly for those who have been historically underserved. Women, especially women of color and single mothers, continue to face significant obstacles in securing safe and affordable housing. Habitat creates pathways to stability and self-reliance through homeownership opportunities that uplift individuals and strengthen entire communities.

To see the direct impact your support of Women Build can make, please take a moment to watch this video of how Habitat empowers single mothers through homeownership. Scan the QR code or go to qrco.de/WBRecap

What Makes Women Build Unique

Sponsoring Women Build is more than charitable giving, it's a strategic investment in community transformation. Your partnership directly contributes to increasing access to affordable housing, helping families achieve strength and stability while fostering neighborhood revitalization.

Women Build is also a unique platform for visibility and engagement. It offers your company the opportunity to align with Habitat's mission in a meaningful, hands-on way, empowering your employees and elevating your brand. During this important signature event, volunteers from all backgrounds come together in a collaborative environment, working alongside skilled professionals and future Habitat homeowners to help transform lives and create lasting, positive change.

Congresswoman Doris Matsui and future Habitat homeowner, Yang, celebrate Women Build on the jobsite.
