

WOMEN BUILD 2020

Women Build is an annual project that recruits and empowers women of all different ages, backgrounds, and industries to come together to build homes and make a tangible impact on our local community.

We are Women, Hear us Build!

Teams of women will work together through Women Build to raise funds and build hope, homes, and community with Habitat for Humanity of Greater Sacramento. Commencing with a special Women Build kick-off rally and networking mixer, Women Build is a truly unique and exciting opportunity to come together, no matter what your skill level, and roll up your sleeves to promote positive, women-led impact.

Become a team leader and recruit a team or raise funds and participate as an individual!
